

Academy Director.....

Jorge Acosta— former member of the United States National Team in 1992-1993. He has played professional soccer with the NY/NY Metro Stars and Dallas Sidekicks of the MLS and the NY Fever of the USSIFL and in the first division league in Colombia, South America. He is a USSF “A” license coach, and a member of the NJ All Century Team. Currently, he is the Coaches Director for Mickey Kydes Soccer Enterprises

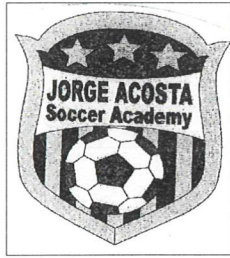

Jorge realized his passion for the sport of soccer. Growing up he would play soccer anywhere and everywhere even when he did not always have the proper equipment. He often played with a ball made from rags. Jorge did not forget his roots.

This is what inspired him to start **Jorge Acosta Foundation**. The foundation is dedicated of collecting lightly used soccer equipment and bringing it to children of Jorge’s native country of Colombia. The children who receive equipment from Jorge often cannot afford to buy the basic gear needed to safely play their favorite sport. By donating cleats, uniforms, socks, and soccer balls to this campaign, you will be helping these children stay off the streets of Colombia and work on their dreams of becoming professional soccer players like Jorge. Any donation small or big is greatly appreciated!

If you are interested in donating any soccer gear, please email jorgepelao@aol.com.

CAMP AT WAG FIELDS

ACADEMY PHILOSOPHY.....

We are a soccer player's camp that focuses, on the skills, imagination, style and flair the individual bring to the game. Soccer is a player's game where each player should have the freedom to use their imagination and make decisions. Creative soccer is what we introduce to each one of our campers by emphasizing technique and freedom of play.

Our professional staff of coaches and trainers will give guidance; instructions and demonstration that will help you build a foundation towards being a more creative and complete player. Depending on abilities, we will enhance your skills at appropriate level and put you in situations where you have the freedom to explore and create. All campers will be evaluated and placed with players of their skills level, regardless of age.

We pride ourselves on challenging each one of our campers to be the best they possibly can be. So let's broaden our play, add another dimension to our game, and let our imagination flow. Come **learn from the Pros** and live the game of soccer like you never experienced before. Come to our Academy and see how exciting and fun soccer can really be.
